DISPUTE-CIVIL-LABOUR-OTHER

Narrative: INITIAL OFFICER REPORT - 1

Subject: **DISPUTE-CIVIL-LABOUR-OTHER**

Author: **1877 GAUDET, JAMES**

Related date/time: **Sunday, 2017-Jun-04 12:48**

On Sunday June 4, 2017 at 1129 hours complainant Robert (Bob) LEPP attended 1 district at 240 Prospect Street in the Town of Newmarket to explain an issue he had with Aurora By-Law.

Robert advised the writer that he believed he was assaulted by a By-Law officer while attending a community function in Sheppards Bush yesterday. Robert explained that he was on site with his 2 dogs, had them on a leash and was taking pictures at the community event. Robert advised that he saw a YRP K9 officer and wanted to speak to him in regards to taking some photographs, so he tied his 2 dogs to a pole and walked over to the K9 officer.

Robert advised he then heard a woman screaming as he realized that his 2 dogs had got loose and had walked over to him and sat next to him. Robert explained that the woman continued to yell at him, walked over to him and told him that she could give him a ticket for his dogs being loose. Robert advised that the woman was not in a uniform of any kind but was wearing what appeared to be motorcycle leathers and was carrying a helmet. Robert advised that he continued about his day with his dogs on the leashes. Robert explained that he had observed the woman go over to the By-Law tent that was set up and had numerous By-Law officers in it in uniform.

A period of time later Robert advised that the same woman approached him with 2 by-Law officers in uniform and attempted to hand him a piece of paper. Robert advised that he turned around as the woman would not identify herself to him. Robert advised that the woman reached towards him and put the piece of paper in the small leather bag he was carrying, said to him that he was served and walked away from him. Robert was insistent that the woman had assaulted him by placing the paper in his bag.

Robert further advised police that he was upset that the woman was not in uniform and had not asked him for identification.

The writer observed the ticket for Dog at Large signed by Mandie CRAWFORD #189 filled out to Bob LEPP and at the correct address.

The writer learned from speaking with Robert that there had been previous interactions with Aurora By-Law and himself, in fact sounding like a

significant history may be involved explaining why the By-Law officers would know Robert by sight.

The writer explained to Robert that an assault had not been committed and advised that he should attend Aurora By-Law and speak with a supervisor there in order to assist him better.

Robert was determined that an offence had occurred and advised police that he was retired and had a lot of time to do research and was going to find an applicable offence. The writer explained to Robert that there was a process that he could look into as far as laying a private information but explained that the Justice would have to approve.

Robert provided a typed out written statement which was scanned and attached to this report.
