2018-08-29 03:28:17 "@stopboblepp @BobLepp The courts look favourably on those who humble themselves, this is very good advice @BobLepp. #TurnYourselfIn #HonestMistake #BeBest"
"Oh look, there are screenshots of his review, where he violates his bail conditions, attached to the very review he edited them out of.

How, embarrassing, @BobLepp. Now there's evidence that you tried to cover up a crime... on that very evidence! LMAO

"It's so funny to me that for a man that loves engaging people, @BobLepp is unwilling to tweet his opinion instead of posting it on his low-traffic blog.

2018-08-29 04:19:13 I mean, does he think anybody reads it, beside the victims of his tyranny keeping an eye on his threat level?"
2018-08-30 00:56:10 "@AlexBarrett5050 How did you become aware of its tweeting?"
"@AlexBarrett5050 More specifically, did it appear on your feed, or did someone else send you the link?

2018-08-30 00:59:53 If it was the latter, please tell me the name of that person."
"@AlexBarrett5050 Hey, why'd you delete your tweet without answering my question?

2018-08-30 16:27:04 Was it that you were willing to ask for sensitive information online, but then not willing to reciprocate because it would expose something?"
"@BobLepp is apparently dangerous because he got fingered?

2018-08-30 17:00:32 At least that's what he's claiming publicly here... <https://t.co/P6i4K5rwHx> <https://t.co/upNwETolZJ>"
2018-08-30 17:43:45 "@AlexBarrett5050 Interesting. Are there sources on the internet in support of @BobLepp? I haven't found any."
"@AlexBarrett5050 His "detailed explanation" is, as you said, "mumbo jumbo". The guy is a retiree with too little education and too much time on his hands. He tries to trade his Google Street View photography for goods and services and attacks anyone who denies the trade. <https://t.co/78Jpkx1SrD>"
2018-08-30 18:13:47 "@AlexBarrett5050 Also "many of the nasty reviews"? I only see 2 reviews."
2018-08-30 18:15:03 "People of Aurora, Ontario: Beware of @BobLepp. He is out on bail for the harassment of three women.

He approaches people to offer the service of taking pictures for Google StreetView and then tries to recruit them into his crusade.

2018-08-30 18:17:36 If you refuse, you will become his target."
"@AlexBarrett5050 No, there was 1 review there 2 days ago. The second review was added then. There were no other reviews on there. I've watched that page for months.

"In a recent post, @BobLepp claims that the crown messed up on his bail by saying he couldn't mention 4 terms in "online media". His conclusion is that he can't write a song or make a video, but he could post text.

- 2018-08-30 22:59:44 Perhaps he should google "is text a form of media?" <https://t.co/J9Ko0QqE1W>"
- 2018-08-30 23:02:41 "Here, @BobLepp, I googled it for you. Interesting that this question links to <https://t.co/bo74swStbr>. I wonder if it's common for those needing mental help to not understand a basic fact like "text is a form of media". <https://t.co/b0tZCyisHu>"
- 2018-08-30 23:05:02 "Also, just LMAO at using dictionary definitions of something instead of, you know, reading the law which is available for free online."
"Here, let me help. What can we infer from a highly-cited case grouping "blog postings" with "other online media"?"

- 2018-08-30 23:18:48 Could it be that a blog posting is... ONLINE MEDIA?!?!?! <https://t.co/YAaAfFeRQI>"
"It's so strange that @BobLepp doesn't have comments enabled on his blog, and he doesn't respond on twitter."
- 2018-08-30 23:21:01 Why do you oppose transparency so much, Bob?"
"Also, this all glosses over the fact that the reason he's trying to lawyer his bail conditions is because he so badly wants to violate them."
- 2018-08-30 23:24:09 You can talk about aaaaaanything else, @BobLepp. Let's talk about how you interact with the public."
"He goes on to decide that the JP meant "social media" when they wrote "online media" so he thinks his e-mails are exempt."
- 2018-08-30 23:29:32 (Hint: They're not. If you e-mail anyone and mention any of those 4 terms, you will be violating the conditions of your release.) <https://t.co/5KEbAS09V0>"
"Can't say I didn't warn you, @BobLepp. You didn't believe me when I said you were violating your bail conditions, did you?"
- 2018-08-31 19:48:39 Thank you, @YRP, for executing the law faithfully. @BobLepp is now in jail again, awaiting another bail court hearing."
- 2018-08-31 19:50:33 "Surprise, surprise, @BobLepp. I was right. You WERE violating the conditions of your release. Now you're in jail, like the criminal you are at heart."
"Also, I have been screenshotting and downloading all of your blog posts, like the one memorialized in this thread, which you took down."
- 2018-08-31 22:13:05 LMAO"
"Hey @BobLepp , what happened to BL18-118 to BL18-121? I was going to use your URL as you suggested here, but all I have here is the local mirror copies that I saved.
